

ArtReich—Your Partner for Microsoft 365

Practical knowledge, tailored knowledge transfers, and innovative training concepts for Microsoft 365 for companies of all sizes and in top quality—that's the core of ArtReich.

From the initial consultation to strategic planning, implementation, and training, we provide seamless support on your path to digital transformation. Your individual requirements and specific challenges provide the base for our customized solutions precisely tailored to your company.

Benefit from our deep expertise and extensive experience in integrating Microsoft 365. Through our continuous education, you receive innovative and future-proof concepts that make your everyday work significantly more efficient.

As an independent partner, we guarantee you neutral advice while focusing solely on your interests.

Our Philosophy

With our dedication and long-standing experience, we make sure that the horsepower you pay Microsoft for truly takes effect. From the very start, our tailored solutions and comprehensive consulting services are perfectly adapted to your specific needs.

Thanks to our in-depth expertise and innovative training concepts, we streamline your work routine far beyond the scope of connected collaboration. Rely on unbiased advice and customized solutions that permanently secure your company's lasting success.

Our Values

Benefit from 30 years of experience and unwavering passion: We love and live what we do, and you will notice it in every consultation or concept, in our didactics, in coaching, and in our service.

By developing and applying our unique ArtReich® method, you get effective and tailored solutions that demonstrably make your daily work more efficient.

Meet Our Leader

Florian Sandmann-Reetz is Germany's #1 Office Trainer. With 30 years of experience, he knows exactly how to engage participants, spark their enthusiasm, and share his passion. He delivers knowledge with heart, hands-on practice, and just the right touch of humor at exactly the right moment.

You in the Spotlight

In more than 4,000 trainings, Florian has answered thousands of Microsoft 365 questions. Drawing on his practical insights and extensive experience, he's brought a bright spark to the eyes of over 25,000 participants!

Our Team

At ArtReich, you don't just benefit from Florian's expertise—you gain access to a unique group of training specialists. Each and every member brings years of hands-on experience in training Microsoft 365 tools and master's the ArtReich® method.

Backed by our dedicated back-office team, you'll also receive complete support for any questions related to ArtReich's services.

Further services

“Knowledge becomes more when shared”

True to this motto, Florian Sandmann-Reetz shares weekly tips and tricks from the MS 365 world in short videos on LinkedIn, Instagram, TikTok, and YouTube. His ever-growing number of followers loves these practical hacks for everyday work.

Florian also shares his expertise through his online event series “Office Tricks LIVE”—a quarterly live showcase bursting with tips and tricks for Microsoft 365 programs.

Speaker

Looking for a captivating speaker who combines expertise with humor and energizes your audience from the very first moment? Meet Florian Sandmann-Reetz. You'll immediately sense his 30 years of stage experience. His talent for getting people excited about even complex or seemingly “dry” topics is often called his superpower.

Whether it's an impulse talk, kickoff event, or keynote, Florian knows how to move and inspire people. He takes your audience on an entertaining journey where nobody's watching the clock. His genuine approach, vast experience, and knack for infusing every subject with just the right touch of humor make his presentations truly memorable.

Do you have an idea for a collaboration between your company and ArtReich? We're always excited to hear ideas that create value!
